SUMMER BACKPACK DRIVE

Memphis, TN -August 7, 2014 – The Summits at HealthQuest is holding their first Summer Backpack Drive in hopes of easing the burden of buying new school supplies for elementary school kids as they return to school. The backpack drive is accepting clear backpacks, due to a new school initiative, until **Thursday, August 14th**. These clear backpacks will then be donated to a sponsored elementary school on Friday, August 15th.

The Summits at HealthQuest is an intensive outpatient treatment facility dedicated to providing quality comprehensive psychiatric and counseling services to adolescents and adults of all ages. One of the intensive outpatient programs held at HealthQuest focuses on Adolescent Mental Health for youth ages 12-17. The program is designed to help adolescents during this period in their life and teach them how to identify and manage emotions, develop healthier coping and social skills, and handle conflict more effectively.

“We held a Winter Coat Drive earlier this year and it was such a success that we wanted to do something for these kids as they start the new school year,” says Randy Dixon, Director of Adolescent Program.

One of The Summits at HealthQuest’s partners, Just Care Family Network, has generously allowed their location to be a drop off site where Memphis residents can bring donated clear backpacks. Their address is 1750 Madison Ave, Suite 501, Memphis, TN 38104. Wolfchase Chrysler Dodge Dealership has also offered to be a drop off site as well located at 8170 US 64, Bartlett, TN 38133. Other drop-off sites includes the two HealthQuest locations at 58 Timber Creek Drive, Cordova, TN 38018 and 8130 Country Village Drive, Cordova, TN 38016.

The Summits at HealthQuest is located at 8130 Country Village Drive in Cordova at 901-308-2915. For more information about The Summits at HealthQuest, please visit www.healthquestmemphis.com
